

# Welcome to Questa

IIIT NAYA RAIPUR'S OWN QUIZZING  
EVENT

# Rules and Regulations

- ▶ A team of two is a must, from the same college.
- ▶ Make sure to bring your College Id-card with you.
- ▶ You can register yourself on our website <http://technovate.iiitnr.ac.in/> or on-site at IIIT Naya Raipur.
- ▶ Top 12 Teams will be selected from Prelims.
- ▶ Top three teams from each of the semis will make it to the finals, Total of 6 Finalists.

# Prelims

- There will be a Written round of 20 questions with inbuilt tie breakers from which the semi-finalists will be selected

# SEMI FINAL :

## ► There will total of Four Round :

### 1. Direct Questioning :

- +50 for a correct answer if it's a direct question to that team.
- And if it's a pass then its +25.
- In case of wrong answer the score of the teams will remain the same.

### 2. Logo and Reasoning :

- Logo correct +40 , wrong -20.
- Reasoning +60 for correct and -30 for wrong.

### 3. **Buzzer round :**

- +75 for correct and -25 for wrong .
- In case of no answer and wrong answer the question will be passed to the audience .

### 4. **Logo and Reasoning :**

- Logo correct +40 , wrong -20.
- Reasoning +60 for correct and -30 for wrong.

# Finals:

► **There will total of Six Round :**

**1. Direct Questioning round :**

- +75 for a correct answer and -25 for a wrong answer

**2. Anticlockwise round :**

- +75 for correct and -25 for a wrong answer

**3. Buzzer and Connect Round :**

- If you connect the four information pieces they get +60 , if the missing one is added you'll get +40 .

**4. Rapid Fire :**

- Each team will be given 8 questions , time duration - 90 secs.
- For answering a question a team will be having two options : they can either attempt it , or can skip for the time and come back to it after they have answered all the known question.
- Correct answer +25

## 5. Video round :

- Participants are allowed to pass the questions .
- +75 for a correct answer and -25 for a wrong answer.

## 6. Buzzer Round :

- Direct correct answer is +100 and incorrect gives you -50.
- There is an option to mine on any other team which they think can probably answer the question if (other team answers it) No negative marking will be done for the first team (wrong answer) and the team mined will get +50 if they answer correctly, and if they also fail to answer, the team who is mined will get -50.
- A question can be mined only once.

**Participate  
and Win Prizes  
worth 10k.**
